KEEP WASHINGTON COUNTY CLEAN

## » Confluence Park (La Verkin) Tree Planting and Clean-up

**March 21, 2020  
9 AM – 12 PM**

From State Street in La Verkin (SR-17), drive north towards Toquerville. Turn left (west) on 900 north into the Riverwood subdivision. This paved road turns into a well maintained dirt road. Follow it to the end to reach the La Verkin Creek Trailhead in Confluence Park.

Alternatively, from I-15, take the Toquerville Exit (27) and drive south on SR-17 for 5.5 miles. Turn right (west) for 900 north and Confluence Park.

**We are inviting volunteers to join us at Confluence Park to help plant trees and participate in a clean-up. Please bring work gloves, shovels and wear closed-toe shoes and other appropriate clothing. For questions and to RSVP, please contact Randee Sanders at [Randee.Sanders@washco.utah.gov](mailto:Randee.Sanders@washco.utah.gov)**

## Participating Groups for this clean-up include:

- » Washington County
- » River Rock Roasting Company
- » Red Cliff Desert Reserve
- » Tree Utah
- » Conserve Southwest Utah
- » State Bank of Southern Utah
